Are you a nominal Christian?

Are you a 'nominal Christian'?
I ask you my friend, to decide
And if you're not sure what 'nominal'
    means
I write these few lines as a guide.

Now if you're a 'nominal Christian'
You've been christened, confirmed
    or baptised
You believe in a God and a Bible
You try not to swear or tell lies.

You're honest at home and in business
You believe in helping a friend
You'll work hard for the church on a
    week night
And money on missions you'll spend.

You love to support worthy causes
You're known as the 'one you can trust'
You repeat the Lord's Prayer in the
    evening
And help for the poor is a must.

You believe that Christ died for lost
    sinners
You believe that He died, this is true
You're trying from moment to moment
To do just the things He would do.

You've been years 'believing in Jesus'
You're convinced He is God's only Son
You hope you've secured your salvation
Through what He and you have both done.

Perhaps these are some of the details
From the faith to which you subscribe
Be warned now, dear 'nominal Christian'
Of a deadly mistake I describe.

There are thousands 'believing' in Jesus
Who think that they've made it in life
Who have never experienced conversion
And their hearts have no peace, only
strife.

They say they're believing in Jesus
And yet they don't really KNOW HIM
They've never confessed that they're
sinners
And had their hearts cleansed from
all sin.

They've not trusted Him as their Saviour
Their lives He has never controlled
They're strangers to God and to Jesus
They're 'religious', but not in His fold.

Repent of your sins - turn to Jesus
For soon He is coming again
If you do this dear 'nominal Christian'
It brings you eternity's gain.

So! I challenge you, 'nominal Christian'
God's word clearly tells you your fate
Be convicted and turn to the Saviour
Before it's forever too late.

The Bible says...

God commands all people everywhere to repent of their sins.
